

Parent Helper Responsibilities

- On your parent helper day, please sign calendar located in your child's classroom.

- Assist the children with hand washing throughout the day. (We are trying to promote good hygiene awareness.)
- Help teacher with general classroom activities.
- Socialize and engage with the children as they play and have fun on the playground. (Your active involvement helps to create a safer playground environment.)
- We expect parents to have a positive attitude with the children throughout the day.
- **Before** leaving for the day, please allow yourself time for the following light cleaning duties:
 - Wipe tables, chairs, sinks and counters with disinfectant
 - Vacuum carpet and tile

(Thank you for helping to keep the classrooms clean and sanitary for our children.)
